

Footing the Bill

Who pays for what no longer follows a traditional pattern. Don't be timid about coming right out with: "How much would you like to contribute?" All this may prove tense, but it only lasts a minute or two versus the days and months of anxiety if you wait to address the issue.

Bride and groom's contribution _____

Bride's family's contribution _____

Groom's family's contribution _____

Estimated total budget _____

DIVIDING THE MONEY

Divide your budget according to the priorities you set. Give extra money to those items that were high on the list and less money to those you deemed less important.

Ceremony budget _____

Reception budget _____

Stationery budget _____

Flowers budget _____

Music budget _____

Bride's attire budget _____
