

# Vacations

*Vacations are the highlight of the year, but how much do they really cost? Use this pocket to keep track of receipts and bills from weekend trips and family vacations.*

## Vacation Expenses

*Financial writer Jane Bryant Quinn believes there are only three reasons not to budget—  
“That you are rich enough to buy whatever you want and have plenty of money left over.” And the other two reasons not to budget? “I forgot the other two,” she says. The lesson is:  
It pays to budget, regardless of your income.*
